

ONE STOP SHOP
FOR FACTORY CONSUMABLES

ABOUT US

LPSIS Private Limited (LPSIS MRO Solutions), is an e-commerce platform for Industrial products and factory indirect supplies. It's a Group Company of Universal Precision Screws, a leading manufacturer of high precision fasteners. To keep pace with technological transformation, LPSIS evolved and launched an e-commerce platform to extend unparalleled aggregation services for MROs/factory indirect material and c-parts. Our unique business model, varied product line, and a large network of regional offices enabled us to offer MROs consolidation services at an affordable cost just in time. The entire team is focused to offer unmatched convenience and exceptional customer experience of shopping industrial products with us. Today, LPSIS caters to the requirements of diverse markets such as Renewable Energy, OEMs, Automotive, Construction Companies & Industrial Product Manufacturing Companies supplying more than 5000 unique line items. An enterprising spirit and the ability to offer a wide range of products have been the hallmark of our company's existence, we are committed to creating a deeper connection with our customers through continual improvement, legendary customer service, and total customer satisfaction.

We, at LPSIS PVT. LTD., are catering to all the requirements of MRO (Maintenance Repair & Overhaul) products under one roof.
